

# Healthy Pet Club - Rabbits

We value our clients and their owners and wanted to find a way to offer you better value and increase the level of service we are able to provide.

That has resulted in the launch of Healthy Pet Club where we try to help spread and reduce the cost of preventative health care and offer cost reductions for some life time medications and total discounts on all our services and products to club members.

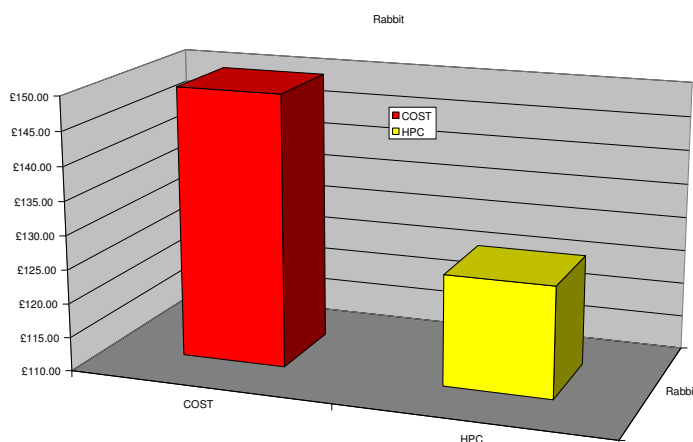

Hopefully this document will give you some idea of how this works, what it costs and what the benefit is to you.

Whilst this doesn't replace the need for pet insurance it does compliment it and unlike insurance there is no minimum or maximum age at which it can start.

## What do I get?

Healthy Pet Club members are entitled to receive the following;

**Annual Vaccinations – 2 x Myxo and 1 x HVD  
Rearguard x 2 ( 20 weeks summer cover)  
for Flystrike prevention  
A Six monthly veterinary health check**

The annual subscription to Healthy Pet Club will, in total, be less than the value of the above but also offers you in addition;

**Discounted micro chipping at a price of £ 9.99**

**AND**

**10% off all products and services offered at the practice**

**Should your rabbit require any of the following lifetime care products;**

**Atopica, Rimadyl, Cosequin, Optimune, Fortekor, Vetmedin, Vivitonnin, Cannisulin, Incurin, Vidalta, Metacam, Propalin or Soloxine**

**You will qualify for a 20% discount for these items all the time your rabbit is a member of the Healthy Pet Club.**

**What will it cost me?**

We have tried to take into account the cost and quantities of preventative medication as follows;

<b>Rabbit</b>	
Healthy Pet Club	£10.25 per month
<b><i>Annual saving at least</i></b>	<b><i>£27.85</i></b>

**Whats the catch?**

No catch – the day you join the club we would ask for payment of the first month's membership fee and any fees charged that day will qualify for a full 10% discount.

**How long am I tied in for?**

All we ask for is two months notice to cancel your membership should you wish to – this is mainly to cover the cost of supplying treatments.

We hope you can see the potentially enormous benefit available to your pet and yourself inherent in the Healthy Pet Club.

Please come and speak to any member of staff at the practice for more information or call us on 01403-252900.
